MISSIONAL COMMUNITY: “LOVIN’ EVERY MINUTE OF IT”

Quotes

“...there’s a whole lot more that’s right with the church than wrong with the church...”

“God calls us to reach all kinds of people. God calls us to reach people that Jesus cared about that we’re not sure if we care about.”

“Let’s always make sure it’s all about reaching people.”

“I pray that God will help us to remember that the integrity of our ministry is really not how we minister to the masses, but rather how we minister to the one.”

“I believe we will be known more in the future for how we have served the one than how we have served the multitudes.”

Notes

Dino loves the church and God’s people.

Dino’s first experience in serving was an early morning prayer meeting with a group of elderly ladies. His pastor put him in this group of praying women to teach him to respect and encourage diversity.

If we don’t understand the value of diversity, we won’t make it in ministry.

We must lead our people to reach people that are different from us:

1. It keeps us normal.
2. Opposites are going to have to attract.

We must focus our ministry not on the masses, but one the one. How well are we ministering to the ‘one’?
